

EXECUTIVE SERVICE

JAC Recruitment Malaysia has been serving local, Japanese and multi-national companies. With many years of experiences and huge database of professional registered candidates from various industries, we are here extending our unique Executive Recruitment service and we believe that we are able to serve you better.

Our strategy to success is based on our proven record of serving our clients for all these years and our ability of refined accuracy in the area of recruitment and commitment.

We operate based on success-only fee system (no retainer fees). Payment is due only when the successful candidate has started working for the client.

Our Services

- We provide Progress Report and Assessment Report (Candidate Profiling) within our service standard
- Candidate reference check upon request
- Friendly and professional consultant is able to provide solutions for your Executive Recruitment needs.
